Versatile with iPad/iPhone

The image shows the product box for the Philips PicoPix projector. The box is white with blue and orange accents. The Philips logo is in the top left. The product name 'PicoPix' is prominently displayed in the center. Below the name, there are five orange-bordered boxes, each containing a feature name and a brief description. At the bottom left, there is a large orange circle with '30 Lumens' and a smaller blue circle with 'Versatile with iPad/iPhone'. The product model number 'PPX 1430' is at the bottom right. A small image of the projector is in the top right corner of the box.
